### Synchronous bilateral multiple chromophobe cell renal ...

<https://www.sciencedirect.com/science/article/pii/S1000194812600069>

Synchronous bilateral multiple chromophobe cell renal carcinoma is rare; here we report a case diagnosed with bilateral renal multiple tumors complicated with a cyst in the right kidney. Retroperitoneal laparoscopic bilateral nephron sparing surgery was performed and there was no serious postoperative renal dysfunction.

Author: Li Xungang, Cui Xingang, Zhang Dong... Publish Year: 2012

### Bilateral synchronous occurrence of three different ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC2726473>

Case presentation. In this case report, we describe an unusual case of two bilateral synchronous chromophobe renal cell carcinomas accompanied by an oncocytoma and an angiomyolipoma, that were all treated by open partial nephrectomy.
