

Dear reviewers,

Following our initial submission, we have updated our manuscript based on your valuable evaluation and suggestions, advices from the Editor-in –Chief, as well as of the guidelines of the world Journal of clinical cases for the mini-review.

In addition, the current data regarding the COVID-19 are update on April 1, 2020.

We hope this min-review will provide valuable information for control of epidemic of SARS-CoV-2.

We appreciate your professional review of the manuscript.

Best regards,

Shiyan Ren, M.D, Ph.D.
