(13) We also have seen the article published in *Zhonghua Wei Chang Wai Ke Za Zhi* (Zhu QQ et al., 2012;15:1247-1251). This article also was cited in our article. In our study, we also showed the pathological changes of intestinal tuberculosis and primary small intestinal lymphoma. In addition, 78 subjects were recruited in our study compared with 47 subjects in first article. Our study provides much more information about features of intestinal tuberculosis and primary small intestinal lymphoma.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Qing-Qiang Zhu
