Ref: R.G.P.2/27/40 Scientific Research Deanship, King Khalid University, Abha, Saudi Arabia. Year: 2019-2021

Dear Dr. Chandramoorthy,

We are pleased to inform that your funding application for Large Research Grant Project (LRGP) Application number 27/40 project entitled "**Evaluation of activated MSCs and small molecules for anticancer, antiviral, antibacterial, antifungal and immune modulatory activities**". has been accepted for funding.

List of Investigators

Principal Investigator: Dr. Harish C Chandramoorthy, Employee # 11415, Stem Cell Unit & Department of Microbiology and Clinical Parasitology, College of Medicine.

Co-Investigators: Dr. Rajagopalan Prasanna, Dr. Mohammed Abuhashrah, Dr. Irfan Ahmed, Dr. Ananthram Devaraj.

You will be notified by one of our consultant for signing of the contract to release the first part (40%) of the total sanctioned budget of 190,000 SAR.

The total duration of the project is 24 months and next part of funding will be released after successful submission of the first year report along with the copy of publications.

Original invoice has to be retained for all the purchases and services availed during the execution of the current project and has to be submitted along with final report and list of publications arising out this current study.

Should you need any further information, please do not hesitate to contact me at moyahya@kku.edu.sa
