#### **SPECIFIC COMMENTS TO AUTHORS**

The paper is well written, with very few grammatical issues that can be easily addressed.

I have only one concern, that is terminological: gliosis is not the same thing as gliomatosis. Authors have some time used both terms as exchangeable, which might confuse readers. Are you talking about gliosis (in this specific case) or gliomatosis (which is, by far, much more infaust?).

## RE-REVIEW REPORT OF REVISED MANUSCRIPT

**Name of journal:** World Journal of Clinical Oncology

**Manuscript NO:** 55714

**Title:** Latent brain infection with *Moraxella osloensis* as a possible cause of cerebral gliomatosis type 2: A case report
