

Dear Editor,

Thank you very much for your decision letter and advice on our manuscript 55903 entitled “Left bundle branch pacing with optimization of cardiac resynchronization treatment: A case report”. We also thank the reviewers for the constructive comments and suggestions. We have revised the manuscript accordingly, and all amendments are indicated by red font in the revised manuscript. In addition, our point-by-point responses to the comments are listed below this letter.

We hope that our revised manuscript is now acceptable for publication in your journal and look forward to hearing from you soon.

With best wishes,

Yours sincerely,

Mingjian Lang

First of all, we would like to express our sincere gratitude to the reviewers for their constructive and positive comments.

## Specific Comments

(1) The authors did not provide original pictures.

**Response:** Thank you for your insightful suggestion, We will provide the original picture when the manuscript is modified

(2) The “Case Presentation” section was not written according to the Guidelines for Manuscript Preparation. Please re-write the “Case Presentation” section, and add the “FINAL DIAGNOSIS”, “TREATMENT”, and “OUTCOME AND FOLLOW-UP” sections to the main text, according to the Guidelines and Requirements for Manuscript Revision.

**Response:** Several sentences have been changed in the Case report of the revised manuscript (Page7, Lines 13-20)to address this issue.
