SPECIFIC COMMENTS TO AUTHORS

Authors have made a good attempt to highlight the reverse symptomatic midgut rotation complicated by pregnancy. There are many grammatical and spelling mistakes, the case report is not up the standard for WJG.

SPECIFIC COMMENTS TO AUTHORS

The paper is about a pregnant case who had reverse malrotation with intestinal obstruction. *Figure 1 did not mentioned in the text. *Minor letter mistakes In my opinion since it is a unusual case pregnant woman with reverse malrotation, accept the manuscript for publication. With regards.

SPECIFIC COMMENTS TO AUTHORS

first; congratulations on presenting a case didn't previously described in the literature
Second; quality and importance of this manuscript is highly third; presentaton is a case
report in the future maybe there should be review about volvulus in the pregnancy
