## Anterior bone loss after cervical Bryan disc arthroplasty ...

<https://www.sciencedirect.com/science/article/pii/S1529943020301674>

Aug 01, 2020 · **Anterior bone loss** following **cervical total disc replacement** is an emerging issue. In **121 cervical total disc replacement** patients, about half had **anterior bone loss**. **Shell angle** rather than range of motion was related to **anterior bone loss**.

**Author:** Tse-Yu Chen, Wen-Hsien Chen, Chun... **Publish Year:** 2020

## Total Disc Replacement Versus Anterior Cervical Discectomy ...

<https://pubmed.ncbi.nlm.nih.gov/30062947>

**Aims:** The aim of this study was to determine how the short- and medium- to **long-term outcome measures after total disc replacement** (TDR) compare with those of **anterior cervical discectomy** and fusion (ACDF), using a **systematic review** and meta-analysis. **Patients and methods:** Databases including Medline, Embase, and Scopus were searched. Inclusion criteria involved prospective **randomized control trials** ...

**Cited by:** 14

**Author:** Callum Findlay, Salma Ahmed Mohamed ...
