

## Answer to Reviewer

Thank you for your important comments, which were extremely helpful for improving the quality of our manuscript.

### *Supplementary comments:*

*(1) I found the authors did not provide the original figures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or*

*arrows or text portions can be reprocessed by the editor;*

According to Science Editor's comments, we provided the original figure (PowerPoint).

*(2) I found the authors did not add the PMID and DOI in the reference list. Please provide the PubMed numbers and DOI citation numbers to the reference list and list all authors of the references. Please revise throughout;*

The references were modified.

*(3) I found the authors did not write the "article highlight" section. Please write the "article highlights" section at the end of the main text;*

The "article highlight" section was added.

*(4) the author should number the references in Arabic numerals according to the citation order in the text. The reference numbers will be superscripted in square brackets at the end of the sentence with the citation content or after the cited author's name, with no spaces;*

They were modified.

*(5) the authors need to complete the Conflict-of-Interest Disclosure Form, provide the written informed consent, and fill out the STROBE checklist with page numbers.*

They were completed.
