To Whom It May Concern,

The manuscript was re-read carefully by one of the co-authors, Karen M. von Deneen DVM, PhD.

Dr. von Deneen is a biomedical scientist whose native language is English. She was educated at American schools including Morehead State University, Oregon State University, CVMBS at Colorado State University and University of Florida, and has written and published over 50 original scientific papers in her native English language.

Karen M. von Deneen

Associate Professor of Engineering Research Center of Molecular and Neuro Imaging of the Ministry of Education & School of Life Science and Technology

Xidian University
