Certificate of English Proof

Invitation Article. Number ID: 02993003

To the Editors-in-Chief,

Name of Journal: *World Journal of Transplantation.*

Manuscript Type: OPINION REVIEW

Lenvatinib as first-line for recurrent HCC after liver transplantation: is the current evidence applicable to these patients?

To whom it may concern,

The Prof Ines Bucca, who is the English teacher from the Austral University Hospital, School of Medicine, has done the English editing.

Should you require any additional information, please do not hesitate to contact me.
