**Reply to editorial comments:**

Issues raised:

(1) I found no "Author contribution" section. Please provide the author contributions;

Answer: We have added the "Author contributions" section in the file with the revised manuscript.

(2) I found the authors did not add the PMID and DOI in the reference list. Please provide the PubMed numbers and DOI citation numbers to the reference list and list all authors of the references.

Answer: this information has been added to the text.

(3) The author should number the references in Arabic numerals according to the citation order in the text. The reference numbers will be superscripted in square brackets at the end of the sentence with the citation content or after the cited author's name, with no spaces.

Answer: this was done accordingly.

(4) Please update your manuscript according to the Guidelines and Requirements for Manuscript Revision and the Format for Manuscript Revision for your specific manuscript type: 'Letter to the Editor'

Answer: the manuscript has been updated according to WJG guidelines.
