### YOUR PROPOSAL ON BURDEN AND BENEFITS OF CARE GIVING AMONG CAREGIVERS OF CANCER PATIENTS ATTENDING THE UNIVERSITY OF CALABAR TEACHING HOSPITAL, CRS.

We have received your proposal for Ethical evaluation.

The voluminous protocol for the project is very well written,

The study is hereby approved so that you can now proceed with data collection,

Note that this clearance covers for patients in UCTH only and may not cover for any

Other hospital you may need to survey,

This study will be monitored by the UCTH Ethical committee.

A handwritten signature in blue ink, appearing to read 'A. A. Asindi', is written over a horizontal line.

Prof. A. A. Asindi
