

## Biostatistics Review Certificate

9 June 2020

To whom it may concern

Title of Study: Comparison of an Enhanced Recovery After Surgery Protocol Versus  
Conventional Management on Short- and Long-term Outcomes in Patients  
Undergoing Laparoscopic Gastrectomy: A Propensity Score Matching Analysis

Chief investigator: Yanbing Zhou

Department of Gastrointestinal Surgery

Affiliated Hospital of Qingdao University, NO.16 Jiangsu Rd,

Shinan District, Qingdao, China

This letter is to confirm that I have read the ethics application prepared for this study  
and that in my opinion the statistical methods and techniques mentioned are  
appreciated for the research.

If you have any questions, please contact me.

Sincerely, *Yanbing Zhou*

Yanbing Zhou MD, PhD, Department of Gastrointestinal Surgery, Affiliated Hospital of

Qingdao University, NO.16 Jiangsu Rd, Shinan District, Qingdao, China 266003
