

Dear Editor:

Thank you very much for your kind opinions. We have read each of them carefully and revised them accordingly.

(1) The approved grant application form has been upload as required, but we could upload only one file. Our project is the Tai' an City science and technology development plan, and the fund used is the fund allocated by the science fund which is given by hospital to the key disciplines. We also prepared the relevant certificate but cannot be uploaded together.

(2) The original picture has been provided as requested.

(3) As required, "Article Highlights" has been added after the topic section of the Article, and it is highlighted in blue font on the 29th page of the Article.

(4) The table has been modified as required.

(5) Language quality:The text has been read through and modified.

(6)COPYRIGHT LICENSE AGREEMENT has been uploaded .

(7)Conflict-of-interest DISCLOSURE FORM has been uploaded.

(8)We have searched PMID code and DOI code according to the requirements, but there are some literatures that cannot be searched, and we have supplemented all that we can find.
