

**Stallard Scientific Editing**  
*your trusted partner in English-language excellence*

17 June 2020

To whom it may concern,

This letter certifies that the manuscript by Song et al entitled

**Localized amyloidosis in the head and neck region affecting lacrimal sac: a case managed by endoscopic surgery**

has been edited by a native-English-speaking scientific editor. The edited text is shown in the following pages of this document.

Yours sincerely,

Aaron Stallard
