

## ANSWERING REVIEWERS

December 25, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript No.5777-Review.docx).

**Title:** The brain- gut axis in pathogenesis of *Helicobacter pylori* infection.

**Author:** Jacek Budzyński, Maria Kłopocka

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 5777

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Corrections according to the second Reviewer suggestions were made (in the text highlighted in red) and language polishing was performed again by suggested English language editing company. Due to the approval of manuscript text by three Reviewers, it was impossible to abridge the text.

(2) Two suggested references were added (numbered as 97 and 98), and corrections of citations number for the next articles were performed. All changes are highlighted in red in the text.

(3) Lack of suggested corrections,

.....

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

*Jacek Budzyński*
