SPECIFIC COMMENTS TO AUTHORS

First of all, congratulations for your work. Just some minor mistakes to point out: - In "Abstract" and "Core Tips", there are a few grammar errors. - COVID should be always in capital letters. - In "Gastrointestinal symptoms in COVID-19", there some grammar errors. - In Table 1, "detail" is misspelled. - In Figure 2, "Nausea or vomiting" is misspelled.

SPECIFIC COMMENTS TO AUTHORS

This opinion article is well-written, informative and concise. Key references for clinical cases are included. The quality of table and figure 2 are adequate. However, I would like to recommend to remove or change figure 1 since it is not very informative and not suitable for respective journal.
