**Subject:** Non-Native Speakers of English Editing Certificate

Dear Editors,

I am writing you concerning our submission to *World Journal of Gastroenterology* (Review, invitation ID 04428437). The journal requires a certificate of language editing for non-native English speaker. We did not provide this certificate because one of the authors, Pr. Dan A. Dixon is a native English speaker (from USA). Accordingly, this author carefully verified and approved the language quality of the manuscript. I have asked Pr. Dan Dixon to provide me with a letter attesting that the language quality of the manuscript meets the requirement of the journal (see letter from Pr. Dan A. Dixon).

Thank you very much for your time and consideration.

Best regards,

Dr. Cyril Sobolewski
