

Dear Editor,

Thank you for giving me the opportunity to submit a revised draft of manuscript titled “COVID19 Infection in a Kidney Transplant Recipient: Special Emphasis on Pharmacokinetic Interactions” to The World Journal of Transplantation.

We appreciate the time and effort that you and the reviewers have dedicated to providing your valuable feedback on this manuscript.

We are grateful to the reviewers for their insightful comments on this paper, with their comments our manuscript has become more interesting and clear. We have been able to incorporate the suggested changes provided by the reviewers. The revised manuscript has been uploaded to the article submission system.

- 1- Additional clarifications and details about the patient`s initial clinical presentation has been provided.
- 2- All spelling and grammatical errors pointed out by the reviewers have been corrected and fluency of the language has been checked.

Thank you.

Sincerely,

Sanem Guler Cimen
