To the editorial office of the World Journal of Clinical Cases:

I hereby certify that I have edited the following Paper and that it is clear and free of errors. I am a professional English Language Coach and Consultant from the U.S. now based in Tokyo, and I have rendered the Paper as correct as possible in keeping with the intent of the author's message. I guarantee the quality of the edit and all changes have been accepted by the author with no further changes made to my knowledge.

Title of the Paper

Erratum : Author's Affiliation Correction. HER2 heterogeneity is a poor prognosticator for HER2 positive gastric cancer (World J Clin Cases 2019; Aug 6; 7 (15): 1964-1977)

Author

Dr Akio KAITO

Thank you for your time and attention.

Sincerely,
Dr John D Hixson
