

Dear Lian-Sheng Ma,

Thank you for the conditional acceptance of the manuscript and the valuable remarks. According to the list of required subjects we completed the missing forms (Conflict-of-Interest Disclosure Form, Copyright License Agreement, and the STROBE Statement). Completed forms incl. STROBE checklist have been uploaded. The "Author contributions" section was added to the manuscript. The pictures used in the paper were created by the authors and are original pictures. The required format of drawing and other figures is now uploaded as PowerPoint presentation. Furthermore, PMID and DOI numbers are now completed, too. As far as we can see the authors names are complete. The section "Article Highlights" is now added to the main text.

We hope, that we can fulfill now the requirements for manuscript revision. In case of further comments, please feel free to contact us in order to perform the necessary corrections.

Sincerely

Gunther Felmerer
