

To whom it may concern,

Title of the manuscript: **Effect of normobaric cyclic hypoxia exposure on mesenchymal stem cell differentiation – pilot study on bone parameters in elderly humans.**

Corresponding author: **Marta Camacho-Cardenosa**, Faculty of Sport Science University of Extremadura, Cáceres, Spain

This letter is to confirm that I have revised the manuscript, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research study.

Please contact me if you have any queries.

Sincerely,

Ipek Guler
