<https://pubmed.ncbi.nlm.nih.gov/32239176>

TMB has been described as a powerful predictor of **tumor** behavior and response to immunotherapy. Methods: A total of 443 bladder **cancer** samples obtained from **The Cancer Genome Atlas (TCGA)** were analyzed for **mutation** types, TMB values, and prognostic value of TMB. Differentially expressed genes (DEGs) were identified from the TMB groupings.
