BIOSTATISTIC REVIEW CERTIFICATE

To whom it may concern,

This letter confirms that the statistical analysis for the study entitled "Evaluation of Joint Awareness after Acetabular Fracture: Validation of the Forgotten Joint Score according to the COSMIN Checklist Protocol" (Manuscript Number 03573151) was performed by Dr. Karolina Mueller, a biostatistic professional from the Center for Clinical Studies at Regensburg University Medical Center, Germany.

Kind regards,

Prof. Dr. med. Dr. biol. hom. Volker Alt
