Dear Anuhya

Re: Hello, Can You Hear Me? Orthopaedic Clinic Telephone Consultations in the COVID-19 Era- a Patient and Clinician Perspective

Thank you for submitting the above study for research review. After careful consideration I feel that it is not necessary for your study to undergo a full research governance review as your study is classed as Service Evaluation and falls outside this framework.

I am therefore happy for you to proceed with your study following agreement from your Clinical and General Managers.

If you have any queries about any of the arrangements for this study please do not hesitate to contact me in the R&D department, Education Centre at Basildon University Hospital
Carol.Alves@btuh.nhs.uk or 01268 524900 ext 4672.

I wish you every success with the project.

Yours sincerely

Carol Alves
