Hello, can you hear me? Orthopaedic clinic telephone consultations in the COVID-19 Era- a patient and clinician perspective

Anuhya Vusirikala, David Ensor, Ajay K Asokan, Alvin JX Lee, Ravi Ray, Dimitrios Tsekos, John Edwin

Abstract

BACKGROUND

The coronavirus disease 2019 (COVID-19) pandemic has resulted in seismic changes in healthcare delivery. As a result of this, hospital footfall required to be reduced due to increased risk of transmission of infection. To ensure patients can
