

November 24, 2020

Dear reviewers:

I am very grateful to your comments for the manuscript. According with your advice, we amended the relevant part in manuscript.

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

The review's composition comment on the manuscript and my answer

(1) Manuscript requires a minor editing.

Answer: The format of the manuscript has been updated. We have uploaded the approved grant application form(s) or funding agency copy of any approval document(s). The original figure documents have been prepared and uploaded. All graphs or arrows or text portions can be reprocessed by the editor.

(2) The title can be changed to "Pheochromocytoma as a cause of repeated acute myocardial infarctions, heart failure and transient erythrocytosis: a case report", please consider it.

Answer: Yes, we agree with your comment and the title has been changed.

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Yours sincerely,

Fei Shi
