October 31st, 2020

To Editor-In-Chief  
*World Journal of Orthopedics*

Dear Colleague,

This is to certify that the manuscript titled “**Acute syndesmotic injuries in ankle fractures: from diagnosis to treatment. Current concepts.**” that we have submitted in *World Journal of Orthopedics* has already been subjected to linguistic revision by an English native speakers, co-author of this paper (Silvio Tocco).

Sincerely and best regards.

**Francesco Pogliacomi (corresponding author)**

A handwritten signature in dark ink that reads 'Francesco Pogliacomi'.
