

Letter of Certification

Dear Editor,

This letter is to confirm that I have read the manuscript entitled "Madelung disease: A case report" (Manuscript NO.: 60743, Case Report) carefully, and provided a lot of advice on proper English use. Dr. Yu accepted and revised the manuscript according to my suggestions.

I am now working in WenZhou Medical University , and received my MD and PhD in The Chinese University of Hong Kong.

Please contact me if you have any queries.

Sincerely,

Xuemei Gu
