

Dear Editor-in-chief Jia-Ping Yan,

Enclosed please find our revised manuscript entitled, “Atrial Fibrillation and Concomitant Left Subclavian Artery, Axillary Artery and Brachial Artery Embolism after Fiberoptic Bronchoscopy: A Case Report” for publication as a Case Report in the World Journal of Clinical Cases. We are grateful to the reviewers for their helpful and insightful comments. We have revised the manuscript, focusing on the scientific content and grammatical expression as suggested by the reviewers, and believe the revisions have significantly improved the paper, the old manuscript number is 60795 and it had passed Peer-review.

Reviewer #1:

Scientific Quality: Grade B (Very good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Minor revision

Specific Comments to Authors: Conclusion in abstract should be clear. Please re-write the conclusion. There are grammatical mistakes in manuscript. For ex- in line (introduction section) 15-17, please simplify the sentences. There are extra spaces and missing spaces in the manuscript. Authors should mention mitral valve stenosis in abstract, as it may cause thromboembolism.

1.I had modified the article according to the suggestions of reviewers.

2. I had provided the author contributions

3.I had provided Copyright License Agreement and Conflict-of-Interest Disclosure Form

4.I had provide the original figure documents.

5. the reference had revised throughout.

6. The manuscript had re-polished by original editing company.
