English Editing Certificate

I, Dr. Essam M. Abdelalim, the corresponding author of the review titled “**Insulin resistance in diabetes: the promise of using induced pluripotent stem cell technology**” confirm that the manuscript does not require an official “English Editing Certificate”. It is my full responsibility to correct any mistakes captured by the reviewers and/or the editors.

Corresponding author

A handwritten signature in black ink, reading "Essam Abdelalim". The signature is written in a cursive style with a long, sweeping horizontal line extending from the end of the name.
