Dear Dong-Mei Wang,

Re: World Journal of Orthopedics Manuscript NO: 61049

The authors of the above manuscript which was submitted to the World Journal of Orthopedics confirm that they are native speakers of English and therefore do not require an English Editing Certificate.

Yours sincerely,

A handwritten signature in black ink that reads "Marlon M. Mencia". The script is cursive and fluid, with the first name "Marlon" and last name "Mencia" clearly legible.
