

**Reviewer: 1**

We thank the reviewer-1 for their careful reading of the manuscript and their constructive remarks. Reviewer-1 is quite satisfied with the present form of manuscript significance, quality and scope and pointed some mistakes during revision. We have taken the comments on board to improve and clarify the manuscript and correct spelling in whole manuscript.

**Reviewer: 2**

We thank the reviewer-2 for their careful reading of the manuscript and their constructive remarks. Reviewer-1 is quite satisfied with the present form of manuscript significance, quality and scope and pointed some mistakes during revision. We have taken the comments on board to improve and clarify the manuscript and correct spelling in whole manuscript
