

Certificate of Biostatistics

Dr Samah Alharbi, Assistant professor in Physiology and stem cell science.

Department of Physiology, Faculty of Medicine, Umm Al-Qura University, Makkah 21955, Saudi Arabia

Title of study: **LGR5 marks different cancer stem cell compartments in human CaCo-2 and LoVo colon cancer lines**

To whom it may concern

This letter is to confirm that the statistical analysis in this research was performed and verified by members of stem cell research group at AIBN, Australia and therefore, in my opinion, the statistical methods are appropriate

Please contact me if you have any queries

Sincerely,
Samah Alharbi
