

Editorial Certification

This document certifies that the manuscript titled “Renal artery embolization in the treatment of urinary fistula after renal duplication: a case report” was edited for proper English Language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at ELIXIGEN. This paper was edited in October, 2020. Neither the research content nor the authors’ intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication – however, the author has the ability to accept or reject our suggestions and changes. To verify the final ELIXIGEN edited version, please contact ELIXIGEN at support@elixigen.com
