

CERTIFICATE OF ENGLISH EDITING

Date: March 22th, 2020

This document certifies that the manuscript entitled “**Tunica vaginalis testis metastasis as the first clinical manifestation of pancreatic adenocarcinoma: a case report and literature review**” was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of highly qualified native English speaking editors at LAMEN Solutions. Neither the research content nor the authors’ intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication. However, the author has the ability to accept or reject our suggestions and changes. If you have any other questions or concerns over this edited document, please contact us at editing.z@lammed.com.cn

Manuscript title: Tunica vaginalis testis metastasis as the first clinical manifestation of pancreatic adenocarcinoma: a case report and literature review
