

**Date:** May 24, 2021

**Manuscript Title:**

“Pulmonary Target Sign” as a Diagnostic Feature in Chest CT of COVID-19; case series”.

**To Whom it May Concern:**

This letter confirms that the manuscript corresponding to the information detailed above was edited by myself, Kyle Ulversoy, a native English-speaking second year medical student.

I make no claims as to the substantive matter covered by the paper and have not altered the intent or research content drafted by the author(s).

The author(s) may accept or reject any of my comments or suggestions upon receipt of the document I edited. Please feel free to contact me at [ulversoykyle@gmail.com](mailto:ulversoykyle@gmail.com) for any questions or concerns.

Sincerely,  
Kyle Ulversoy
