### The Use of Radiation Therapy for the Treatment of ...

<https://pubmed.ncbi.nlm.nih.gov/31125736>

Introduction: Detailed guidelines regarding the use of radiation therapy for malignant pleural mesothelioma (MPM) are currently lacking because of the rarity of the disease, the wide spectrum of clinical presentations, and the paucity of high-level data on individual treatment approaches. Methods: In March 2017, a multidisciplinary meeting of mesothelioma experts was cosponsored by the U.S ...
