[PDF] Paraquat poisoning: A case report and review of literature

https://applications.emro.who.int/imemrf/J_Fam...

[1-5] Although it is uncommon, **paraquat** ingestion can lead to severe and often fatal toxicity. [6-8] However, although it is widely available, reports of this herbicide **poisoning** are not common in India. [9-13] We discuss a fatal case of suicide in which **paraquat** was consumed and review the literature.

CASE REPORT

Paraquat poisoning by skin absorption: Two case reports ...

<https://www.spandidos-publications.com/10.3892/etm.2013.1320> ▾

Introduction

Case Reports

Discussion

Acknowledgements

Paraquat, a member of the bipyridyl group of herbicides, has been demonstrated to be an effective weedkiller and is used worldwide. When used as intended, the compound is relatively safe; however, misuse has led to a significant number of deaths (1). The herbicide properties of **paraquat** were identified in 1955 and it was introduced commercially in 1962 (2). **Paraquat** is inactive when in contact with almost all naturally occurring soils, and is a relatively non-selective foliage-applied contact herbicide (3). The act...

Paraquat poisoning by skin absorption: Two case reports ...

<https://www.spandidos-publications.com/10.3892/etm.2013.1320/abstract> ▾

The patients were treated successfully and had made a complete recovery following 21 days. From these cases it was examined how **paraquat** may cause skin injuries and occasionally **poisoning**. To the best of our knowledge, cases of **paraquat poisoning** are rare in China. A review of the relevant literature ...
