

4<sup>th</sup> February 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6211-edited.doc).

**Title:** Transfusion and Coagulation Management in Liver Transplantation

**Authors:** Ben Clevenger, Susan V. Mallett

**Name of Journal:** *World Journal of Gastroenterology*

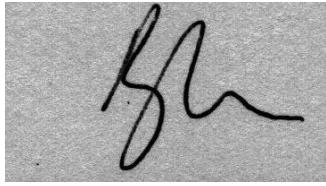

**ESPS Manuscript No:** 6211

The manuscript has been improved according to the suggestions of the reviewers:

1. (1) The references have been carefully reviewed and updated.  
(2 and 3) The abbreviations have been reviewed and corrected.
2. (1) A section has been added relating to the issues of renal failure and further information regarding platelet dysfunction.  
(2) A figure has been added outlining coagulopathy during transplantation.  
(3) Further information has been added regarding the risks of transfusion after transplant and a table outlining the risks of transfusion added.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Yours sincerely,

A square image showing a handwritten signature in black ink on a light grey background. The signature is stylized, starting with a large 'B' and ending with a long horizontal stroke.
