

January,29 2021

Dear Editor,

Please find hereby the edited manuscript in Word format (with file name: 62157-Revised manuscript.docx).

Title: Maisonneuve injury with no fibula fracture: A case report and review of the literature

Authors: Guang-Ping Liu, Ji-Gang Li, Xiao Gong, Jian-Min Li

Name of Journal: *World Journal of Clinical Cases*

ESPS Manuscript NO: 62157

The manuscript has been adapted according to the suggestions of the reviewer and the editor:

1. The manuscript was updated according to the Guidelines and Requirements for Manuscript Revision: Case Report.
2. The final version of the manuscript was critically reviewed again and again. The manuscript was edited to improve grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general readability. In discussion part, some sentence positions were adjusted to make more logical. All changes were marked in the manuscript using the 'track changes' option in Word.
3. An Audio Core Tip was added during the re-submission process (File name: 62157-Audio Core Tip.mp3)
4. A conflict-of-interest statement was drawn up and is attached (File name: 62157-Conflict-of-interest statement.pdf)
5. The copyright license agreement was signed and is attached. (File name: 62157-Copyright License Agreement.pdf)
6. The figures were prepared and arranged in editable format and are attached (File name: 62157-Figures.ppt).

We thank the reviewer for his comments and hope our revised paper is

acceptable for publication in the *World Journal of Clinical Cases*.

Yours sincerely,
