Thank you for agreeing to publish our review article in your journal, *World Journal of Diabetes*. This manuscript is not simultaneously being considered by other journals. It contains no redundant publication, plagiarism, data fabrication or falsification. We have no stated conflicts of interest related to the topic of this manuscript. The material contained in this manuscript is original, except when appropriately referenced to other sources, and that written permission has been granted by any existing copyright holders (the American Diabetes Association, in this case).

We agree to transfer to Baishideng Publishing Group Co., Limited all rights of the manuscript, including: (1) all copyright ownership in both print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format. Articles published by this publisher are distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits use, distribution, and reproduction in any medium, provided the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.

To our knowledge, the manuscript contains no grammar, syntax, spelling, punctuation or logic errors. It has been reviewed by all authors. The tables should be placed near to where they are mentioned in the text (which is clearly indicated). In addition, the references are numbered in the order they appear in the text.
