To Whom It May Concern,

Dear Sir/Madam,

As required, the manuscript of the article titled "Helicobacter pylori infection and susceptibility to cardiac syndrome X: a systematic review and meta-analysis" was edited with regard to its grammatical structure, punctuation, capitalization and vocabulary on Dec. 30, 2020. Hence, I do believe that there are no serious mistakes to the best of my English knowledge.

Best Regards,

Mohammad Baghaei
