

## **Non-Native Speakers of English Editing Certificate for World Journal of Clinical Pediatrics**

Professor Brooke O'Grady has reviewed the article entitled "Healthcare workers as promoters of parental presence in anesthetic induction: Net Promoter Score survey", and states that the authors of this manuscript are not native English speakers, but the manuscript has been reviewed for clarity by a colleague who is a native English speaker.

Date: January 1th, 2021

A handwritten signature in black ink, consisting of a stylized, cursive-like script that is difficult to decipher.
