**Re:** Manuscript Revision (World Journal of Gastrointestinal Oncology, manuscript no: 62289)

Dear Editor,

Thank you for the Editor and Reviewers for considering our manuscript "**Primary Malignant Vascular Tumors of the Liver in Children: Angiosarcoma and Epithelioid Hemangioendothelioma.**" We have made some revisions based on the editors' comments. The response for each question or suggestion is listed below. We hope you will find the revised manuscript acceptable for publication. Thank you again.

Sincerely,

A handwritten signature in black ink, appearing to be 'Juan Putra', with a stylized, cursive script.

Issues raised:

(1) The authors did not provide original pictures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor

A separate PowerPoint file (62289-Figures) with original images has been submitted. In addition, a separate Word file (62289-Table) is attached.

(2) Please obtain permission for the use of picture(s). If an author of a submission is re-using a figure or figures published elsewhere, or that is copyrighted, the author must provide documentation that the previous publisher or copyright holder has given permission for the figure to be re-published; and correctly indicating the reference source and copyrights. For example, "Figure 1 Histopathological examination by hematoxylin-eosin staining (200 ×). Citation: Yang JM, Sun Y, Wang M, Zhang XL, Zhang SJ, Gao YS, Chen L, Wu MY, Zhou L, Zhou YM, Wang Y, Zheng FJ, Li YH. Regulatory effect of a Chinese herbal medicine formula on non-alcoholic fatty liver disease. World J Gastroenterol 2019; 25(34): 5105-5119. Copyright ©The Author(s) 2019. Published by Baishideng Publishing Group Inc[6]". And please cite the reference source in the references list. If the author fails to properly cite the published or copyrighted picture(s) or table(s) as described above, he/she will be subject to withdrawal of the article from BPG publications and may even be held liable.

Not applicable, since these are original figures provided by the authors. Thank you.
