

**Thank you for the reviewer and science editor input.**

**Reviewer #1:**

**Scientific Quality:** Grade B (Very good)

**Language Quality:** Grade A (Priority publishing)

**Conclusion:** Accept (General priority)

**Specific Comments to Authors:** Though the authors synthesized the available evidence on therapeutic option for COVID-19; it is essential to highlight the future direction and development of vaccines at the end of the discussion.

**Reply:** *Future directions included at the end of the conclusion.*

**Science editor comments:**

(1) The authors did not provide original pictures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor;

**Reply:** *Figure was uploaded in PowerPoint*

(2) PMID numbers are missing in the reference list. Please provide the PubMed numbers to the reference list and list all authors of the references. Please revise throughout;

**Reply:** *References were updated according to the Journal format. PMID also given in the revised version.*

(3) If an author of a submission is re-using a figure or figures published elsewhere, or that is copyrighted, the author must provide documentation that the previous publisher or copyright holder has given permission for the figure to be re-published; and correctly indicating the reference source and copyrights.

**Reply:** *The figure is originally generated by us.*
