

## ENGLISH LANGUAGE SKILLS, PROFICIENCY AND COMMAND DECLARATION

TO WHOM IT MAY CONCERN:

Name of Journal: **World Journal of Gastroenterology**

Manuscript type: Review **Invited manuscript (03093768)**

Manuscript title: Artificial intelligence-assisted endoscopic detection of esophageal neoplasia in early stage: the next step?

Corresponding author: Yong Liu

I, the author, declare that I am skilled in the English language and possess adequate skill in proficiency and command in the language that is required. Although I am a non-native English speaking scholar, my writing ability is enough to meet the requirements of manuscripts in English. The link to my academic profile is [https://www.researchgate.net/profile/Yong\\_Liu3](https://www.researchgate.net/profile/Yong_Liu3).

Here lists the articles which had been published in English journals to be examples and certification.
