[PDF] [The Problem of Eating Disorders and Comorbid ...](#)  
<https://www.jneuropsychiatry.org/peer-review/the-problem-of-eating-disorders-and...>  
this topic. The results of this review pointed out that ED in comorbidity with psychostimulants abuse showed worst prognosis compared to ED alone and no definitive and well-established treatment in comorbid ED~SUD is so far available. Stimulants use and misuse seem to be preferred in anorexia with purging behavior or binge eating disorder.
