

October 25, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format

Title: Rare Presentation of Post-Transplant Lymphoproliferative Disorder Isolated to Gastroesophageal Junction.

Author: Brad M. Haverkos (MD), Veeral M. Oza (MD), Andrea Johnson(MD), Jon Walker(MD), Arwa Shana'ah (MD)

Name of Journal: *World Journal of Gastrointestinal Oncology*

ESPS Manuscript NO: 6284

The manuscript has been improved according to the suggestions of reviewers:

1 All available DOI numbers have been added to the references where applicable. In instances when unable to find the DOI number, PMID numbers are present. We have used the suggested sources (Crossref.org) to try to obtain the DOI numbers, however, we were unable to obtain the DOI number in some of the references.

2 Revision has been made according to the suggestions of the reviewer

- a) Zip Code (Post code) has been added on the title page
- b) A Summary sentence has been added at the end of the discussion which is similar to the 'Core tip' and addresses the reviewers comment #11. ("Please summarize strength and weaknesses...based on reviewers' comments..."). We should note, that there are no criticisms mentioned by the reviewer of this article.
- c) We have also provided a summary paragraph and a conclusion statement at the end that summarizes what we learned, which addresses the reviewers' comments.

No other criticism or comments were found, and we believe we have addressed all of the reviewers' concerns.

Please let us know if there are any additional concerns or questions.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Best Regards,

Veeral M. Oza (MD)
